About Us

Yara Baungarten

Yara Baungarten (Caxias do Sul/RS, 1981) is a brazilian visual artist, photographer and journalist, graduated from the Federal University of Rio Grande do Sul (UFRGS). She has a specialization in Visual Poetics, with emphasis on engraving, photography and digital imaging (FEEVALE). Her solo exhibitions are a series of monotypes, named "Square of the Spirit", which was circulated to the Rio Grande do Sul and the project Marionettables Images. She also participated in several group exhibitions in southern Brazil. In 2009, she was considered "Artist of the Year" in the category "Photography and Cinema" at 1st Prize Artists Gauchos. As a journalist, she served eight years as TV executive producer and editor. She is the executive producer and publicist of the book Another Grazing.

Duplas Pontas / Pontas Duplas / Doubles Tips / Tips Doubles ! Photography, performance, video projection, music, haircut

Doubles Tips / Tips Doubles is a transmedia event conducted by visual artist Yara Baungarten and the musician Rodrigo dMart. The exhibition consists in photographs and video projections with images of wire and wads of hair. Pictures and details of the split ends of the beard show the complicity of the couple. The event includes a performance of haircut into an exhibition space, where Yara cuts the beard, the hair and the mustache of Rodrigo, using the gallery as a laboratory for a transformation of an identity. The music is live, creating a ritual experience that involves performers and spectators.

Square of the Spirit

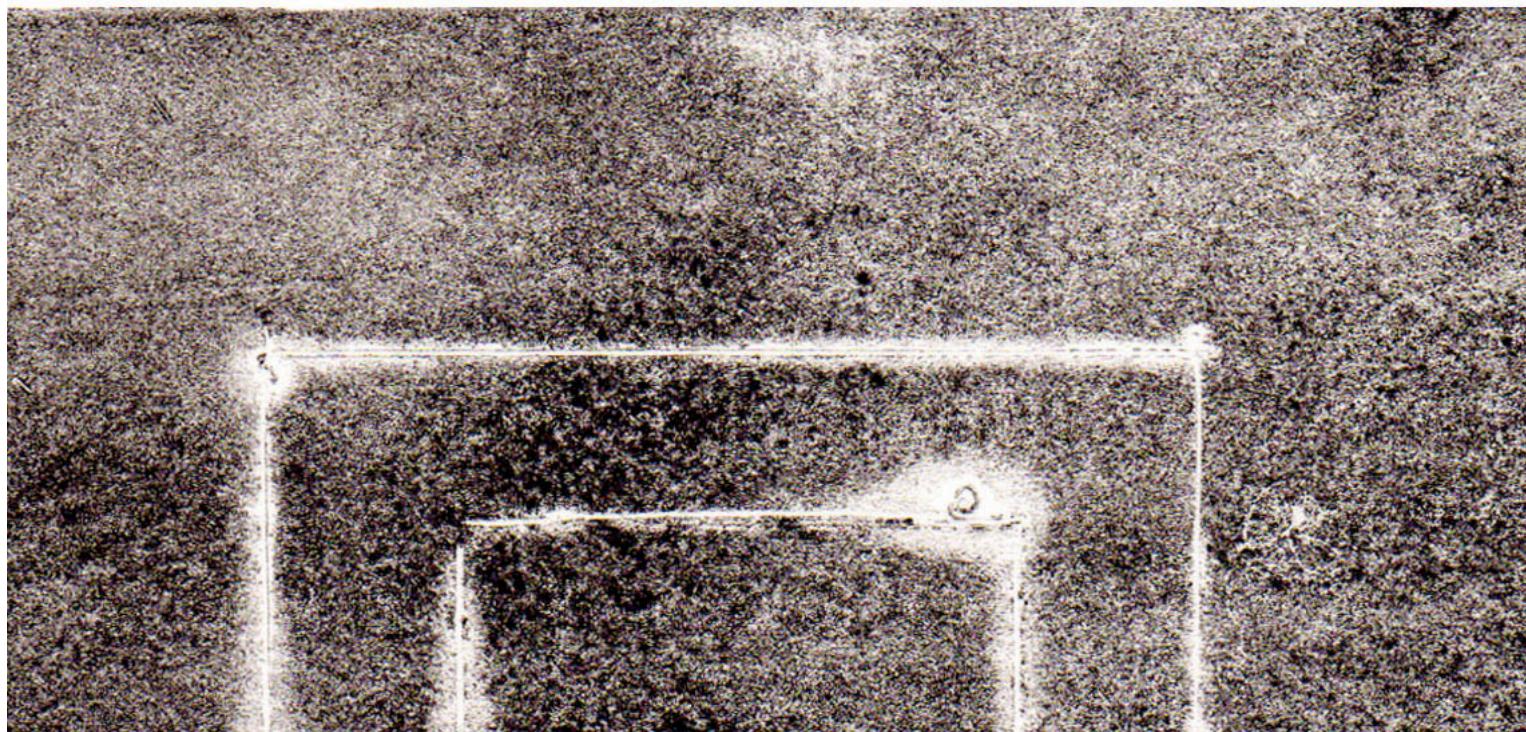

Quadrado do Espírito / Square of the Spirit | Monotypes on paper, screenprints on fabric, video, installation, urban art

"Square of the Spirit" is a proposal that combines engravings, serigraphs, and video installation, inspired by the work of the alchemist Giordano Bruno. The series of monotypes was started in 2007 when Yara Baungarten began her studies in engraving workshops. The exhibit also includes screenprints on fabric and three videos with animations of images's details, with soundtrack by musician and therapist argentine Daniel Namkhay and editing of the journalist and writer Rodrigo dMart.

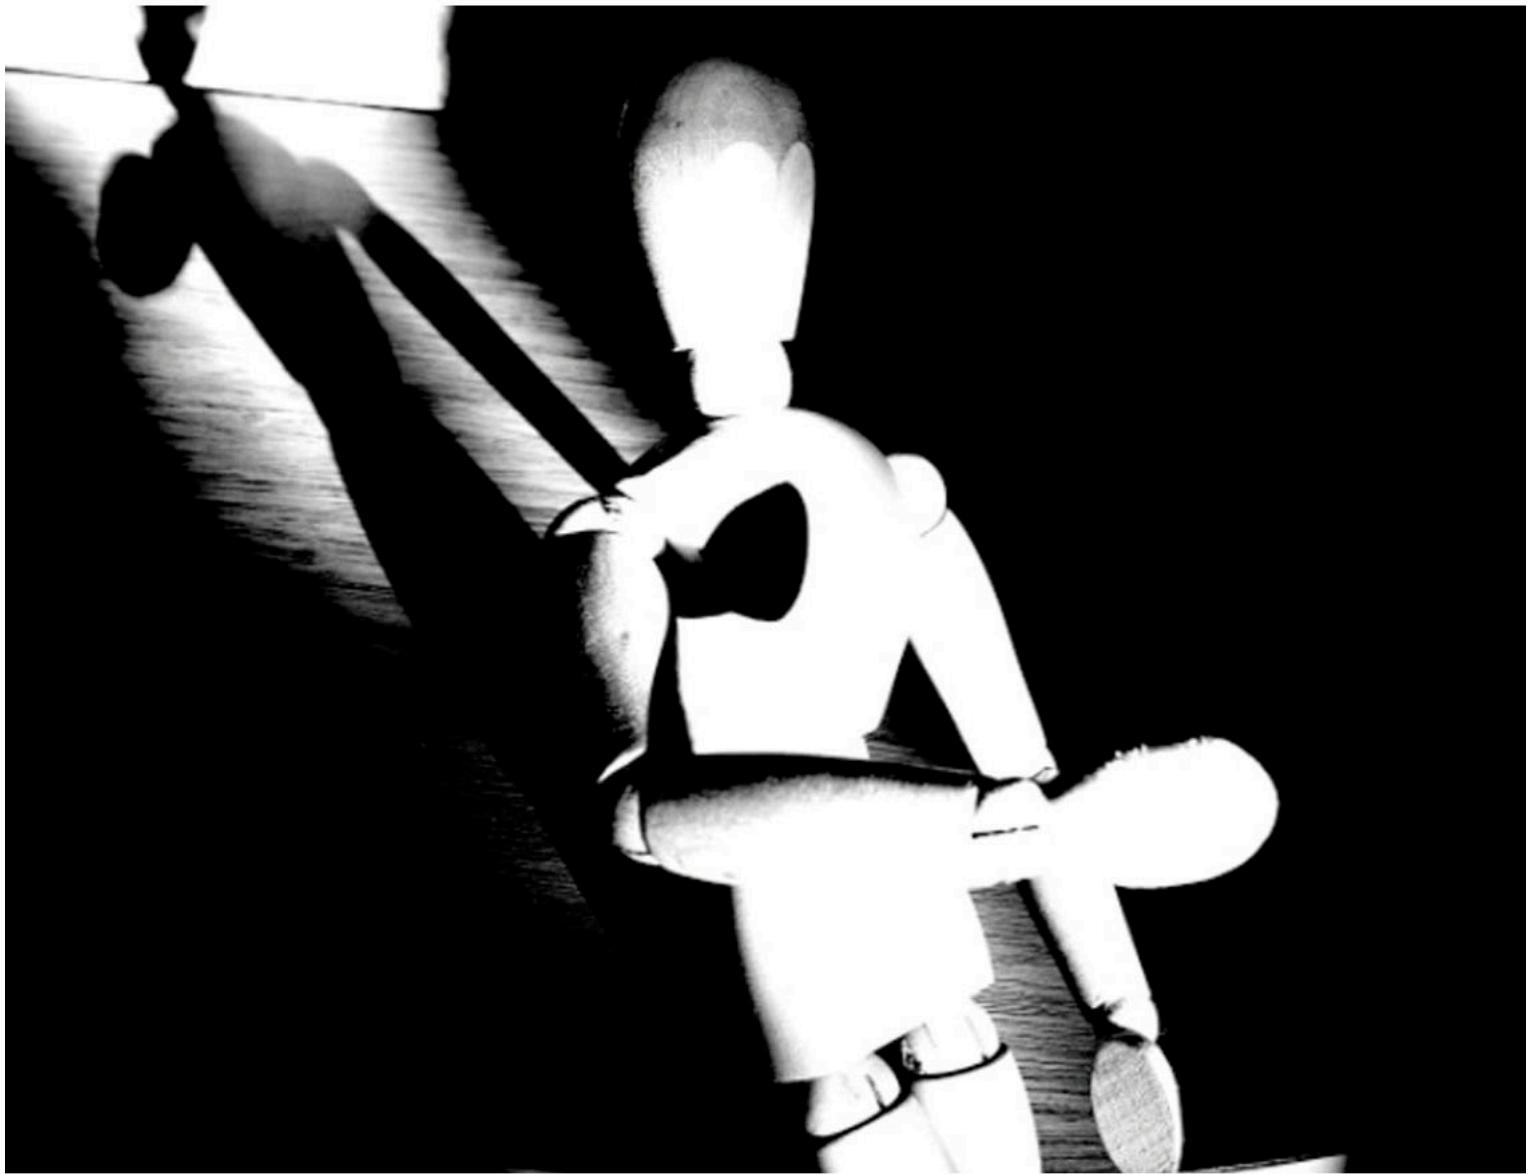

These editions are presented in an interactive installation entitled "Videotypes of the Spirit."

Marionettables Images

Thru 2008 until now

Imagens Marionetáveis / Marionettables Images | Photography, animation, video projection, puppet theatre

The project "**Marionettables Images**" results from the process of artistic research on the concepts of photography, puppetry and video. The purpose of this project is to use the symbol of a puppet in still images and moving images, making them as marionettes through the manipulative techniques, such as theatre of animated forms and videography. The hybridization of languages is used in photography and digital video capture for the development of the acts of manipulation, animation on video and photographic storyboards.

Another Grazing

- Sem deslongas, o matatíinho acendeu a vela e continuou sua busca - encantou Simão.

- De cada pingo de cera que caía no chão, surgia uma nova luz. Em pouco tempo, a paisagem clareou. Como se as estrelas viessem repousar no campo.

Com animação, o velho retomou sua cantilena:

Um Outro Pastoreio / Another Grazing | Graphic novel mixes photography, drawing, puppetry and digital illustration

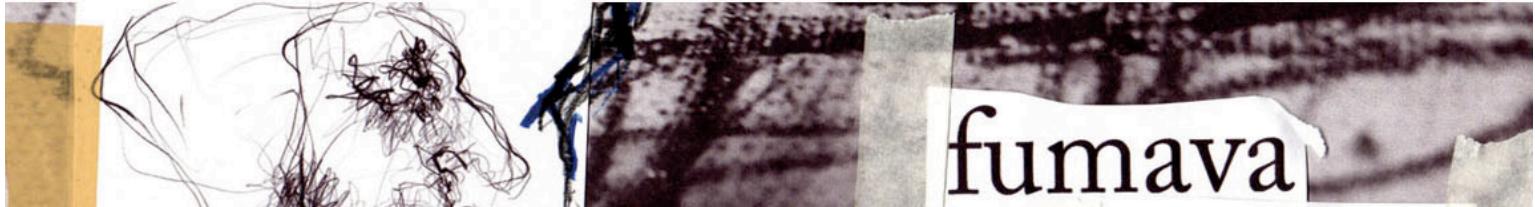

"Another Grazing" tells about two journeys. Iansã, the Goddess of the Winds and Storms, travels to the World of Men to rescue Ogun, the Lord of War and Technology. And Simon, an old pilgrim, is in search of his faith in the company of a boy. But do not be an easy task. It is a dark and dismal time in which a horde of warriors spread terror and destruction.

The future of World of Man and of the Orishas depends on the success of Simon and Iansã in their journeys. They need to recreate the legend of a slave who had the gift of finding lost things, the Little Black pastor field.
